How other countries can benefit from this badminton tool?

Malaysia elites (world class players)

August 2017	Grant BWF
September 2017	Designing the content of the test battery
October 2017	Training the test team at UPM (HAN – UGent)
November 2017	Data collection growth and maturation (Malaysia)
January 2018	Purchasing and creating test devices and manuals
April 2018	First measurements in sports schools (Malaysia)

Preliminary results of 60 players Sport School (Malaysia)

THE WAY FORWARD

- **BWF report phase 2**
- **Cooperation of Badminton Association of Malaysia towards continuity of project**
- **Adjusting the Badminton Tool**
- **Longitudinal follow-up by UPM - Ghent – HAN (Grants)**
- **More training for testers**
- **Including elite sports clubs**
